<b>Section</b>	<b>F: Miscellaneous Paper Items</b>
<b>Title</b>	Military Medal Cards [F10]
<b>Description</b>	The early military medal cards issued around WWI and can be found in two shapes – rectangular [F10a] and circular [F10b] – with 6 different medal designs in total. On the reverse of each card is a promotion for either GOLDEN SHRED or SILVER SHRED giving 12 collectable cards for each shape. We are missing some images of the text on reverse of some designs.
<b>Further Detail</b>	Additionally, we have noticed that the circular SILVER SHRED designs can be found with and without additional text on the front. Three designs like this are known: can all six circular designs be found like this?  Finally, no circular GOLDEN SHRED design is on record: do they exist? Can they also be found with and without the additional text on the front?

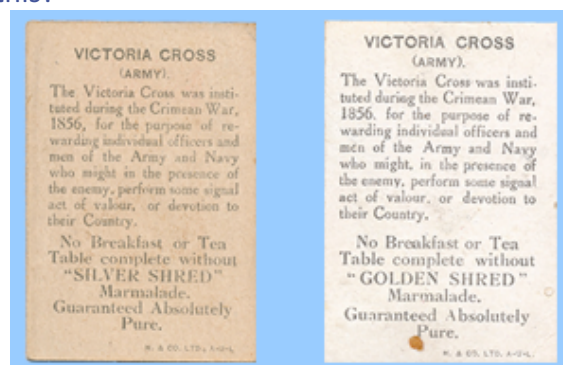

The Six rectangular designs [F10a] are shown below:

Examples of the GOLDEN SHRED and SILVER SHRED promotions on reverse of the Victoria Cross are shown below, we do not have on record a scan of the GOLDEN SHRED promotion for the:

- MILITARY MEDAL (Golden Shred).

Can anyone supply this?

The six medals can also be found on circular cards [F10b]:

**Additional Text**

The image above shows the SILVER SHRED cards with additional SILVER SHRED text on the front. It has been discovered that some designs do not have the two additional text boxes on the front, however we do not have scans of:

- 1914 STAR,
- MILITARY CROSS or
- VICTORIA CROSS

without this additional text. Can anyone help supply these?

An example of the SILVER SHRED Military Medal is shown below:

Finally, no record copy exists of the circular designs [F10b] with the GOLDEN SHRED promotions on reverse. It is not known if these also exist with and without the additional text on the front. Can anyone provide any further information on this?
