| Title          | 1993/96 Ballerina different size discovered  |
| Description    | A report has recently come in regarding the 1993/96 Ballerina. Interestingly the badge is distinctively smaller than usual. It is not known if this is a one off or if this occurs across a batch. It is interesting for two reasons: the badge was in it's original packaging when discovered, this could only have been created from a new Die. Collectors are advised to check their Ballerinas from the 1993/96 and report any which they have in this smaller size. |
